# Teacher of the Month

**Celeste Chizer**

Mr. Celeste Chizer is a seventh grade math teacher. He conducts after school tutorials and makes his classroom a place conducive to learning. His students are enthusiastic about going to his class each day. Congratulations to Mr. Chizer for being December's Teacher of the Month.

# Athlete Tutorials

It is our most sincere desire at M.C. Williams Middle School for all our students to have a successful educational experience. We are committed to putting education at the top of all we do. As intense preparations begin for our upcoming spring testing, we are being proactive in offering *free* tutorials to our students through the 21<sup>st</sup> Century After School Program.

Effective immediately, all student athletes must attend after school tutorials from 4:05 p.m. to 5:05 p.m., Monday through Thursday and thereafter athletic practice will begin. We ask that you please complete the attached application and return it to your child's coach as soon as possible. In order for students to participate in athletic events he/she **must** attend tutorials. Also, if you pick up your child, please do so in the back of the school near the gym area and please be on time.

We are "*Racing Towards Success*" and we need your help. Together we can ensure that all of our students succeed academically and athletically. Please join with us in our endeavor to help our students be all that they can be.

*"Racing Towards Success"*
