Teacher of the Month

Elbert Reed

Mr. Reed is a math inclusion teacher for Special Education. Although this is his first year teaching, it is not his first year in education. Mr. Reed maintains a positive attitude and loves working with the students of M. C. Williams Middle School. He is a husband and a father of one son. Mr. Reed coaches basketball and remains a positive role model for students. Congratulations Mr. Elbert Reed!

Washington Field Experience

March 12 – 16, 2007

Their hard work has paid off!!! M. C. Williams's students will participate in a field experience to Washington D. C. during their Spring Break. They will view historic sights and participate in fun yet educational activities. For more information contact Mr. K. Williams at 713-696-2600.

TAKS

7th Graders Rise to the Occasion

On February 20, 2007 the 7th grade class took the writing portion of the Texas Assessment of Knowledge and Skills (TAKS) test. They met in their homerooms on the satellite campus and began testing. The TAKS test is untimed, and students were given as much time as they needed to complete a written composition and a revising and editing section.

Now that TAKS is over, the students are preparing for Stanford 10 which will begin on February 27, 2007 and for the remaining sections of the TAKS which will be given in April. Please assist us in helping your child to remain focused and serious about test preparation. We will continue our 21st Century tutorials after school and intensive tutorials for math and reading, and other subjects will begin soon.

"Racing Towards Success" Reminder

All visitors that come onto the campus (parents, volunteers, HISD employees, etc.) MUST present a state drivers license or ID when they come to the main office to obtain a visitor's badge.

Staff Member of the Month

February's Staff Member is...
