ID Please!

Our school has acquired a new system to help protect your children. It's called V-soft. V-soft helps track visitors, students, faculty, contractors and volunteers at our school, thus providing a safer more monitored environment for the students. When visitors, volunteers, or contractors check in or when parents come to pick up students, they MUST present a valid state issued ID for entering into the system. The system has the ability to provide alerts on people who may jeopardize the safety of the campus. We ask for your cooperation in presenting your valid state issued ID when checking in at the school. Please work with us to ensure the safety of our students.

The Source Student Portal and Parent Zone will be available for middle school students and parents by November 30, 2006. Students and parents will have access to class schedules, report card grades, daily attendance, and a view of student life in an area where students publish work. Additionally, students will have an HISD e-mail account with personal calendar.

Textbooks

Parents are Invited to Check Out Student Books

Teachers at M. C. Williams use classroom sets of textbooks in all classes. Students, however, still have an option of having textbooks sent home. Parents interested in having a textbook for their child's use at home should call the school and schedule an appointment with the school Business Manager, **Mr. A. Ellerbee** who will issue the textbook to the PARENT. At the end of the school term, the parent is responsible for returning the book to the school.

ID Mandate

HISD has issued a mandate that ALL students wear ID badges. William's students will take ID Pictures on November 1, 2006. The first ID badge will be **FREE** to students. Replacement ID's whether lost or stolen will cost \$5.00.
